August,

Okay, it's August already and I hope everyone has had a great summer so far. Hope you all have stopped by the Lodge, had some crabs on Wednesday or at the crab feast.

Thanks to all of the volunteers who helped to make these events possible. Well, Debbie and I are just getting back from the Grand Lodge meeting; there have been new resolutions passed. The New Resolutions are posted on the bulletin board.

One of the Grand Exalted Ruler's messages was that he would like all Lodges to increase membership. So let's start recruiting new members as soon as we can to help reach his goal.

The House has cookouts on Sundays; stop in the Antler room or on the deck and give Geneil and her crew some company as well as try out the great grilled food. Please remember that our Lodge is open seven days a week, so stop in at anytime to eat or just to say hi.

On a serious note: Kent Island was hit by a tornado on 7/24/2017 and on that same day the Essex Elks made a trip down there and contributed 300 cases of water to those in need. This was a devastation to many families that were effected by this tornado! They need our help and we as the members of the Essex Elks Lodge always help those in need. If anyone can donate clothing, food anything that could help someone who has lost everything it would be so appreciated by those in need due to this horrific storm. You can drop off any items that you wish to donate to this cause at our Lodge or drop it off to the Bowie Lodge who is heading up our Relief Committee. I would like to thank you all for your kindness and generosity in helping those in need. We are a Lodge that once we hear of someone in need we do what we do best, jump into gear with out a second thought "We Just Do it"! **God Bless The People Of Kent Island; Our Prayers Are With Them.**

Friends Don't Let Friends Drive Drunk

Be Assertive

Sometimes, you just have to come out and ask someone if they are really okay to drive. Often, people will tell you that they are, but other times, they will sit back and take a look at the situation and see that they indeed are too drunk to drive. Don't be afraid to ask your friends if they are okay to drive.

Keep Them Drinking

While this may sound strange, if you keep buying drinks, they will stick around long enough for the cab or UBER ride you have called to arrive. Then, all you have to do is tell them that their ride is there, and they will get home safely without any arguments (most of the time).

If you have not been drinking offer someone a ride home if you suspect they may have had too much to drive safely. **Ask the Bartender or the House chair person to call them an UBER ride** to get them home. If they don't have money for a UBER or cab, you could offer to pay for it yourself. It is a small price to pay to keep your friends alive.

If you don't have the UBER app on your phone why not down load it and sign up for the ride program. It reasonably priced and you may need it sometime or you could be able to help save a friend. A \$10 UBER ride is a lot better than spending time at the police station or worse at the hospital.

Friends Don't Let Friends Drive Drunk

A Friendly message from the Essex Elks Lodge House Committee & Bartenders.
