Antler Room News

Buzz Brady

It's now April and some leadership changes have occurred. With change comes some different ideas on how we conduct business. Efforts will be made to clean up the Antler Room and make some minor repairs when funds are available. Without member support, we would not be able to exist. During the next few months, the staff and myself will be evaluating what we do and how we do it. If any member has concerns or suggestions about the Antler Room operations please let me hear from you
